09:05 – **An Eco team in Action**-The Burgate School

The fantastic Eco-Team at The Burgate School will be showcasing the inspiring work they've been doing to make their school a more sustainable place.

09:30 – **Animal Conservation in the African Savannah** - David Shepherd foundation

Join Mark Ellis, the Education Manager of the David Shepherd Wildlife Foundation and an African park ranger as we take you on a film and stills safari and explore the challenges facing the wildlife of the African savannah and those that work to conserve this vital habitat.

10:15 – **Small Worlds Art Exhibition** - Dr Jayne Stillman

Welcome to Small Worlds, a collaborative exhibition that uses creativity to explore climate change and what matters most to young people within their own communities.

10:35 – Breaktime

10:50 – **Discover the Hidden World of The Solent's Seahorses** - Final Straw Foundation

Dive beneath the surface and uncover the secret lives of The Solent's enchanting seahorses. In this engaging workshop, you'll learn why these delicate creatures are vital to a balanced ecosystem, how they live and thrive, and the surprising ways they support the marine environment. Perfect for ocean lovers, this is your chance to connect with one of the UK's most magical marine residents.

11:30 – **Exploring football and Sustainability; the greenest football in the world** – Ministry of Eco-Education Description

Forest Green Rovers is the greenest football in the world - with renewable energy, plant-based food and an organic pitch. The staff at the football club share why they're so sustainable and encourage you to think about how you and your school could be inspired by the club to do the same. This lesson explores the world of football and sustainability.

12:00 – **Teacher space** – an opportunity for teaching practitioners to hear about a range of resources and organisations that support sustainability in schools.
