

Summer Term 2025 Golf Lessons

Golf is tremendously popular with many of our students and proves to be an excellent means of enticing students into the fresh air for many hours in the summer.

Each summer we link with Alresford Golf Club to offer lessons.

Nine hour blocks of lessons are being offered to Perins students this summer term.

Monday sessions will run for novices, sessions on Tuesdays and Fridays will run for students with prior experience.

Cost for the nine hours of tuition will be between £60-£80, dependent on uptake. **Places for each course will be limited to 12.**

These sessions may well clash with other clubs and fixtures. Students will walk to the golf club after school.
