Dear staff and pupils at Perins School,

Thank you so much for raising a wonderful £1,247.87 in aid of Dogs Trust from your fundraising day! This is an incredible amount to have raised and we are so grateful for all your support. Please pass on our thanks to everyone who very kindly donated.

The aim of Dogs Trust is to give stray and abandoned dogs a second chance at a brighter future with responsible, caring new owners. In 2023, we cared for over 13,000 dogs through our 22 rehoming centres across the UK and Ireland. We were also able to rehome 10,588 dogs, including over 400 Underdogs, who had been with us for more than six months.

Thanks to the wonderful support of people like you, we're able to make sure more dogs, like Thatch, are able to find their forever home. Thatch was found wandering the streets in Ireland alone, so we knew little about his life before Dogs Trust.

Thatch had lots of love to give and when Laura and her family came to our Harefield centre, looking for a friend for their Dachshund Winnie, the centre staff thought Thatch could be the perfect dog for them. After several meets at the centre, Thatch and Winnie got on well and by the final meeting, the family had fully fallen for Thatch and the centre saw that he had found his forever family.

Thatch's owner said "We're so happy to have Thatch in our lives. My favourite part of the day is my morning walks through the countryside with him. He gets on well with other local dogs, enjoys having visitors over, and loves a snuggle on the sofa! He is a dream dog".

Thank you so much again for choosing to fundraise for Dogs Trust. On behalf of all of us at Dogs Trust and especially our dogs; thank you!

With kind regards,
