Dear parent/guardian,

We are delighted to announce that we have invested in Seneca Premium to support your child's education.

What is Seneca?
www.senecalearning.com is an online learning platform that has high-quality courses for all subjects at Key Stage 2, Key Stage 3, GCSE and A Level.

Your child will be able to log into Seneca on a phone, tablet or computer and study any of their school subjects. Seneca's Premium pass offers them access to:
- Over **1300 online courses** such as Hardest Questions, Predicted Papers, and HyperLearning.
- **Smart Learning Mode** using data & neuroscience to tell your child exactly what to learn and when to learn it.
- **Wrong Answer Mode** helps students learn as quickly as possible.

How should your child use Seneca Premium?
For your child to make the most of this fantastic resource, we recommend:
- Students should complete the homework set by their teachers on Seneca.
- Students should use all the different course types available on Seneca.
- Students should use Seneca little and often throughout the year rather than using it to cram in the weeks before their exams.

All student accounts have been set up with their school email addresses. Students have been told their passwords in school.
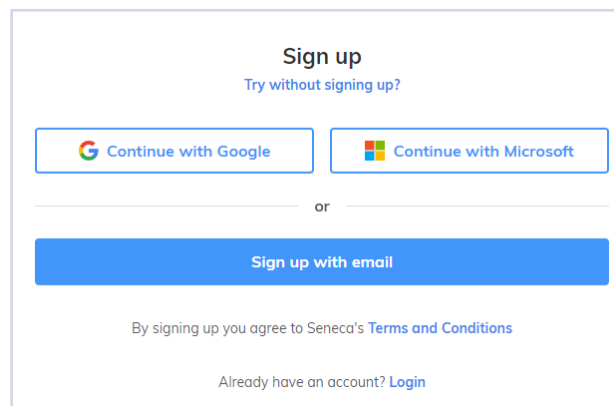

Parent accounts
Seneca's free parent account allows you to track your child's learning or learn alongside your child. This can help make conversations about school and learning easier.

Just sign up for a free Seneca parent account here: app.senecalearning.com/parent
You will automatically connect to your child. If you are set up as a guardian in the school's MIS system.
